

IMPACT YOUTH LOCALLY & ABROAD

WITH J-LIFE'S

AFRICAN SUMMER

Make a difference... serve in Africa this summer!

Join interns from around the world at J-Life Africa this summer! You will live, learn and serve in South Africa for 6 weeks as a missionary and/or for academic credit.

J-Life USA, New York: Travel to New York City for a day of orientation and team building. This will be a time for fellowship and spiritual preparation for ministry to youth and crossing cultures.

J-Life Africa, South Africa: Journey to our camp headquarters – one hour from Johannesburg – for a hands-on experience in youth outreach. You will be exposed to African realities in rural, township and urban areas. Dig deep into the Word of God and receive practical training for Christ-centered, disciple making ministry.

Some eye-opening statistics about Africa.

71% of Africa is below the age of 25 and 80% of people in Africa will make a choice to follow Christ under the age of 15. Sub-Saharan Africa has the highest HIV infection rate in the world. 47.1% of South Africa's population lives below the poverty line, earning less than \$1 a day.

Despite all this, God is doing incredible things in Africa. Jesus brings hope! According to TIME magazine, "...Throughout the Third World, and particularly in Africa, Christianity is undergoing the largest numerical expansion in church history. David Barrett, a Nairobi-based researcher who is completing a major multivolume work on world religious trends, estimates that more than 6 million Africans are added to Christianity each year, at an astonishing rate of 16,600 believers a day."

Get involved and be part of what the Lord is doing to create a disciple making movement in Africa and throughout the world.
